INTERNATIONAL
SOY CONCLAVE
ROUND THE YEAR KNOWLEDGE & GROWTH

PROFIT PLUS 2019
REALIZE. OBSERVE. INNOVATE.

09-10 October 2019,
Brilliant Convention Centre,
Indore
Dear Friends,

Soy Conclave has become the much awaited annual event for the Soy Sector, after two consecutive and highly successful Conclaves organized by The Soybean Processors Association of India (SOPA) in 2017 and 2018. The third International Soy Conclave will be organized by SOPA on 9th and 10th October, 2019 at the Brilliant Convention Center, Indore.

The Soy Sector has come a long way in the last 40 years and has seen many ups and downs as well as turbulent times. The industry needs to work with reasonable profits on a sustainable basis and the farmers must get a remunerative return for their produce. The theme of this year’s Conclave, therefore is “PROFIT PLUS 2019”. We will focus on “REALIZE. OBSERVE. INNOVATE.” reflecting our mission of working together for the benefit of all. The profile of participants in the Soy Conclave will give an opportunity to every delegate to profit through networking and developing business relations with the participants from all over the world. It will also give a platform to showcase and market products and services.

For the soy processors and intermediaries, there will be an opportunity to do real business as leaders in the poultry and feed industry will attend the event and they will be looking for finalizing contracts for soybean meal.

A major highlight of this year’s Conclave will be a full session on technology in the soy sector, which will include presentations and interactive sessions by experts on latest technologies and developments in soy oil refining, value addition and solvent extraction. The panel discussions and price outlook session will be star attraction of the program, in addition to the most authentic soybean crop estimates based on an extensive crop survey undertaken by SOPA.

A colorful souvenir with a treasure of information and an exhibition of products and services related to soy and oil industry will be other attractions of the Conclave. Details and forms are given in the inserts.

Please come and attend the International Soy Conclave on 9th and 10th October, 2019 at the Brilliant Convention Center, Indore. Tentative program, details of the Conclave, souvenir and exhibition, along with the registration/booking forms are attached. We look forward to your support and participation to make the Conclave a grand success.

For The Soybean Processors Association of India
